| Total                   | 195         | Independent Assets      | 38          |
| <u>TOTAL DDR ASSETS</u> |             | Total                   | 354         |
| <u>549</u>              |             |                         |             |

b. Escape and Evasion and sabotage planning activities were held to a minimum pending final action on a review of this project.

c. During the reporting period there were 18 W/T trainees receiving instruction. In addition, five candidates were in the process of being assessed by CADROWN. As a routine security measure, a new site has been obtained for W/T training and training has been discontinued at the previous location.

d. Particulars have been acquired on two additional drop sites, making a total of 14 such locations reported by CADROWN.
